The Daniel Prayer: Prayer that Moves Heaven and Changes Nations (Book by Anne Graham Lotz; 282 pages; © 2016 Zondervan) – “Many people today find that their prayers don’t "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. *The Daniel Prayer* is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure, heartache, grief, desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help readers pray effectively for their nation, for their families, and for themselves...” – Publisher; - 242 LOT

None Like Him: 10 Ways God is Different from Us (And Why That's A Good Thing!) (Book by Jen Wilkin; 163 pages; © 2016 Crossway) – "God is self-existent, self-sufficient, eternal, immutable, omnipresent, omniscient, omnipotent, sovereign, infinite, and incomprehensible. We're not. And that's a good thing. Our limitations are by design. We were never meant to be God. But at the root of every sin is our rebellious desire to possess attributes that belong to God alone. Calling us to embrace our limits as a means of glorifying God's limitless power, Jen Wilkin invites us to celebrate the freedom that comes when we rest in letting God be God." – Publisher; 247.8 WIL
