The Prince Warriors: A Novel (Book for pre-teens (ages 8-12) by New York Times Best-Selling author Priscilla Shirer with Gina Detwiler; 224 pages; © 2016 B&H Publishing Group) - It's about spiritual warfare and is based on Ephesians 6:10-18. This is the first of a trilogy of three books. For more information and a related video, see: <http://theprincewarriors.com>. "THE BATTLE IS REAL" - "As brothers, Xavier and Evan are used to battling each other. But now they're discovering that there is a much bigger battle going on all around them. And it's their turn to fight. Based on Ephesians 6:10-18, *The Prince Warriors* is the first book in Priscilla Shirer's epic new series that brings to life the invisible struggle ensuing in the spiritual realm. Xavier, Evan, and their friends have typical lives until they enter a mysterious land called Ahoratos. There they meet their guide, Ruwach, who offers wisdom and direction as the kids' initial adventure begins—an adventure filled with armor and danger and a very real enemy." – JUV 235 SHI/DET

A Matter of Faith (DVD Drama; *Checkout Restricted to Teens/Adults; 88 Minutes; © 2015 Christiano Film Group) - If you liked the original *God's Not Dead* and *God's Not Dead 2* movies, you will probably enjoy this movie (from a different producer) about a Christian freshman college girl, Rachel Whitaker (Jordan Trovillion). She began to be influenced by her popular Biology professor (Harry Anderson) who teaches that evolution is the answer to the origins of life. When Rachel's father, Stephen Whitaker (Jay Pickett), senses something changing with his daughter, he begins to examine the situation and what he discovers catches him completely off guard. Now very concerned about Rachel drifting away from her Christian faith, he tries to do something about it!"

Unashamed (Memoir by Lecrae; 256 pages; © 2016 B&H Publishing Group) - "If you live for people's acceptance, you'll die from their rejection." – *Lecrae Moore* - "Two-time Grammy winning rap artist, Lecrae, learned this lesson through more than his share of adversity—childhood abuse, drugs and alcoholism, a stint in rehab, an abortion, and an unsuccessful suicide attempt. Along the way, Lecrae attained an unwavering faith in Jesus and began looking to God for affirmation. Now as a chart-topping industry anomaly, he has learned to ignore the haters and make peace with his craft. The rap artist holds nothing back as he divulges the most sensitive details of his life, answers his critics, shares intimate handwritten journal entries, and powerfully models how to be a Christian in a secular age. This is the story of one man's journey to faith and freedom." – Publisher - BIO LEC (Also available: *Church Clothes 3* – Music CD LEC)

God's Not Dead 2: A Novel (Book by Travis Thrasher, 378 pages, © 2016 Tyndale House) - "Welcome back to Hope Springs...where Grace Wesley teaches high school history. She is on the hot seat with the school district after she answers Brooke Thawley's question about Jesus during a classroom discussion. Suddenly, Brooke becomes a pawn in an epic court case that could cost Grace the career she loves. Tom Endler, a lawyer with the teachers' union, is tapped to represent Grace in her fight for her First Amendment rights. He finds himself fighting for a cause he doesn't even believe in. Tom's research leads him to Amy Ryan, a reporter and former skeptic who found faith while battling cancer and watching the classroom battle unfold at Hadleigh University a year ago. Both are soon on a journey to understand what genuine faith really means as they fight to save Grace's job and avoid a court decision that could cripple the free speech rights of all Christians in the marketplace." – WorldCat; Also enjoy the music CD by *Newsboys*, and the original *God's Not Dead* novel or DVD.

Man, Myth, Messiah: Answering History's Greatest Question – The Evidence Behind God's Not Dead 2 (Book by Rice Brooks; 273 pages, © 2016 W. Publishing Group) - "In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the Resurrection that validates His identity as the promised Messiah." -- Amazon.com.
